Honorable William F. Kuntz  
United States District Court  
Eastern District of New York

Re: United States v. Juraboev, et al.  
Criminal Docket No. 15-95 (WFK)

Dear Judge Kuntz:

The government respectfully submits this letter to update the Court on the status of classified discovery in the above-captioned matter. On February 18, 2016, the government made available to defense counsel a production of classified materials in electronic format, the substance of which the parties had discussed with the Court at the February 11, 2016 status conference. Due to technical complications, defense counsel have, to date, been unable to access these materials. The government has been working diligently to address the situation, and it is expected that defense counsel will have the ability to access the materials in question later this week.

Respectfully submitted,

ROBERT L. CAPERS  
United States Attorney
